

## British Heart Foundation

Kenyon donates over £2,000 to the British Heart Foundation, the company's chosen partner charity.

The money was raised through a charity prize draw. Prizes included pairs of Tiffany cufflinks, a day out for two at The Sanctuary, Covent Garden, a signed West Ham United shirt and an array of wines, CD box sets, gift vouchers and cash prizes.

Kenyon staff raised a total of £1,065, an amount the Board of Directors immediately agreed to double. The money will be used to support the BHF's specialist nurses and Heart Information Line.

The company would like to thank the following organisations and their representatives for donating prizes:

UK Scaffold - Gary O'Sullivan

Millenium Scaffold - Alan Corne

Pipe Scaffold - Shaun Pipe

R.Bain Scaffold - Rab Bain

Bosgrove Scaffold - Michael Delaney

Replas Ltd - Julian Turner

Thanks also to Kenyon's staff and Board for giving generously.
